Flexible service plan

description options included services additional services

The **Flexible** service plan includes an amount of credit which you can use as you wish: for national and international calls, text or multimedia messages, to surf on wap and the Internet. You use all you pay for, and when your inclusive credit has been used up, the following charges will apply:

inclusive credit (EUR)	monthly charge (EUR)	charges for national calls (EUR/minute)	
		calls to Orange and fixed numbers	calls to other mobile networks
7	7	0.11	0.15
10	10	0.11	0.14
15	15	0.10	0.14
20	20	0.09	0.14
30	30	0.08	0.13
50	50	0.07	0.12

charges exclude VAT, calls are charged by the second following the first full minute.

Standard charges apply to international calls, text and multimedia messages and data services.

The credit included with your service plan and unused during one month will roll over to the next month, up to one month's worth. Inclusive credit can't be used to pay your bill.

The table below shows the calling minutes and data traffic equivalent of your credit, if you use it all exclusively for one of these destinations:

credit included with the Flexible service plan	calling minutes to Orange and national fixed numbers	calling minutes to other mobile national networks	data traffic (MB)
7	64	47	8
10	91	71	11
15	150	107	16
20	222	143	22
30	375	231	33
50	714	417	55

Premium services (Orange World, Info 311, Fun, Gimmicks, Sport, Games, Agenda, Ringtones, MTV logos), PrePay Recharge Top-Up, and Romtelecom's information services (931, 921 etc.) and also calls, messages and data traffic while roaming won't use your inclusive credit and will be charged additionally separately.

- costs of additionally charged services
- costs of international calls

 If you signed up for a **Flexible service plan** before **14 April 2008**, find out the charges valid until this date.
